We would appreciate you asking UPHILL to show the photographs of Stanislaw ZDARSKY and Slavoj FROUS (sent you in Reference B) to alias GRAMM and the UPHILL surveillance team which covered alias GRAMM's meeting with his CIS case officer in Vienna on 16 June 1962. The UPHILL team felt that the CIS was running counter-surveillance at this meeting and took photographs of persons whom they thought to be members of the team. The UPHILLers, therefore, along with alias GRAMM (if he is still available) should be able to comment on and perhaps confirm our tentative identifications. You may, at your discretion, as indicated in Reference B, identify both men to UPHILL and add that they are suspected of having CIS connections.
